### Numbers

10+

### Location

Outdoors & indoors

### Timings

Half a day plus

**Make a Difference Days** are unique bespoke events that provide teams with a real opportunity to support the community, put something back and enjoy a shared experience as a team. They've been described as a cross between 'Ground Force' and 'Changing Rooms' and provide teams with a rewarding and worthwhile opportunity to really make a difference.

### What's involved?

Our Make a Difference Days provide teams with a unique team event that is not only great fun but also gives something back to a worthy cause in the community.

Challenges could include anything from supporting a Hospice by painting patient rooms or pressure washing patios, to supporting a local Community Centre with a freshen up and make over of their building.

We've even had people drumming up support for a charity pancake race and acting as photographic models for a charity's marketing material!

As part of our 'Make a Difference Days', we provide a fully packaged bespoke event to enable you and your team to simply turn up on the day and enjoy making a difference.

Prior to the day we'll undertake all the necessary research and planning to source and identify a suitable project for the team. This includes all the research and liaison with a project beneficiary, site visits, risk assessments, securing required resources and all the pre-event planning and management.

On the day our experienced Event Manager, Events Team and qualified First Aider will be on-site to manage your event and ensure that you have

everything you need to successfully complete the challenge.

As part of the day, our staff team will work alongside your team to assist and support and we'll provide all the resources, tools and equipment plus overalls, gloves and personal protective equipment for the whole team.

Our Make a Difference Day events are a popular choice for those teams looking to provide people with a really unique experience that's meaningful and fun and beneficial to a worthy cause in the community.

A great way to really 'Make a Difference'.

### What have people said?

'The Make a Difference Event was fantastic - not only was it great fun, it was good to be able to support a really worthwhile cause'.
